

INSTRUMENTS

BUY

The process of buying a Steinway grand from us at Klangmanufaktur begins with getting to know and playing our instruments at the workshop. As we do not have a retail store, the next step would be for us to search for the right grand piano to suit your needs. We would then refurbish it fully, with an open invitation for you to visit us at workshop throughout the process. Your final commitment to buy a tailor-made Steinway would only come after work on the piano is complete.

GENERAL OVERHAUL

In addition to the sale of instruments, we also carry out refittings and repairs on behalf of the customer. We are specialists in turning run-down Steinway grand pianos into mint condition, high quality concert instruments. Our customers include music academies, concert halls, radio stations and foundations. You can find an overview of our references on our [website](#).

As with the instrument sales, you have the opportunity to follow the development of your instrument through regular visits to our workshop. Please contact us for further information on our services, or to discuss an offer.

RENTALS

For musicians and concert halls, seeking for a high quality instrument but with no means of buying a Steinway grand, we rent out our Steinways for [long-term rent](#).

The monthly rents are between € 217 and € 484, excluding transport, insurance and maintenance.

INVESTMENT

You may also purchase our Steinway grand pianos as a [cultural investment](#). We rent the instrument on your behalf permanently to artists and concert venues for 4 % rent per year, which is passed on to you in full. This offer is designed for investors, heirs of grand pianos and as a mission investment for foundation capital.

Feel free to contact us at any time if you need more information or would like to visit our workshop. We look forward to meeting you!
